

≡ SELECTING ADDITIONAL ADDRESSES ≡

Lower Manhattan Route

Below is a selection of addresses. The target is family. The goal is to offer you a few places that are accessible to the family and generally quite typical of NYC or the United States. Regarding restaurants, I also tried to select places that were not too expensive.

to discover

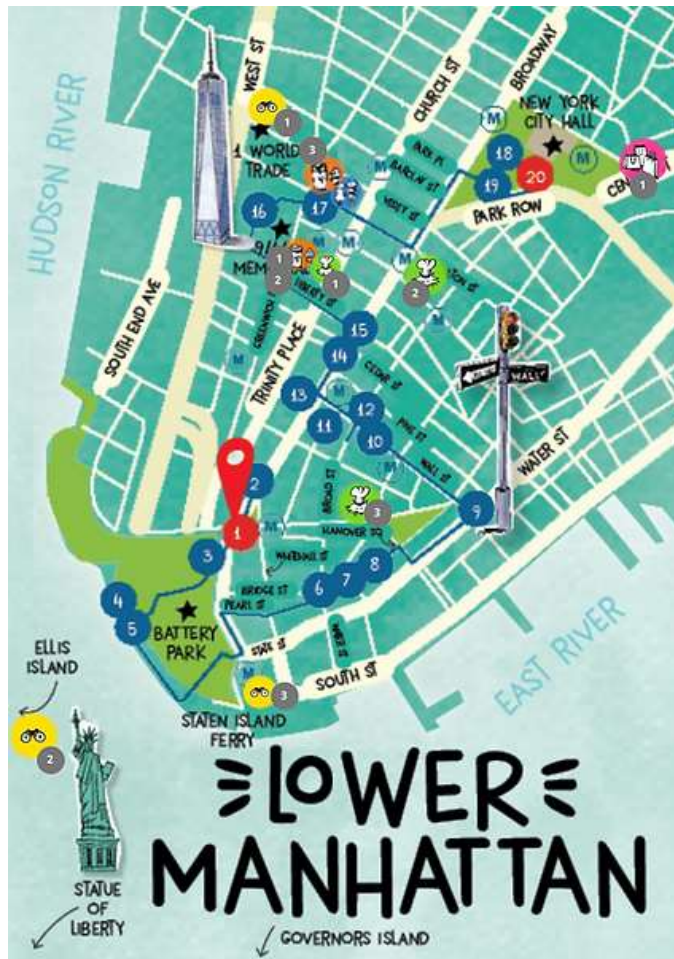

where to eat ?

- **One World Observatory** ⑪
285 Fulton St (corner of West and Vesey St).

Breathtaking view of southern Manhattan, the Statue of Liberty, the grid plan from the city.

- **Ellis Island National Museum of Immigration** ②
access by ferry (departure possible from Battery Park). 12 million immigrants will pass through Ellis Island from 1892 to 1954 to gain the right to enter the United States. The museum traces its route.
